Order Form	This sets out details of the particular Vatix Service(s) ordered by the Customer						

Description of this Vatix Service

Overview. Vatix's Workflows is a subscription service that gives your workers the ability to conduct audits, inspections, checklists and follow up tasks via the use of technology. Workflows provides visibility and insights to help raise safety and quality standards across an organisation. Your team can collect consistent data, standardise operations, send reports, identify failed areas and get problems resolved. The Vatix Service includes the following:

Workflows Mobile App

Mobile app available for both iOS and Android. It allows the user to easily conduct inspections from their smartphone. Users can add additional information through text, images or other media as supporting evidence for the inspection being conducted. Managers can also use the app to manage inspections and follow up actions in real-time and on the go. New features may be added to the app at Vatix's discretion.

Current compatibility

- For iOS devices. iOS 10.0 or above
- For Android devices. Android 5.0 and above

Workflows Software

This is our cloud browser based application, which is used by the Customer to configure and administer this Vatix Service. Features include:

- managing its authorised Workflows Users
- configuring inspection/audit templates
- assigning inspection follow up tasks to its authorised Workflows Users
- adding additional supporting information to inspection reports
- audit trails of inspection reports
- exporting and sharing inspection reports

Definitions and interpretation

Workflows User a User that that is authorised by the Customer to use the Workflows Mobile App and/or the Workflows Software under the Subscription

Permitted Number of User Licences means the maximum number of licences for the Workflows Software that are included in the Subscription as specified in the Order Form

Workflows Mobile App means Vatix's app for use on a mobile device as described in the [Description of this Vatix Service](#) above

Workflows Software means Vatix's browser based software that may be used by the Customer and its authorised Workflows Users for configuring and administering the Service

Vatix Service means the provision of the Workflows Mobile App and Workflows Software licences on the terms of the Agreement

All other capitalised terms used, but not defined in these Service Specific Terms have the meanings given in the rest of the Agreement.

Section 1 | Workflows Software

- 1.1 **Ownership.** All intellectual property rights in and to the Workflows Software and Workflows Mobile App are owned by Vatrix and/or its licensors. Nothing in the Agreement transfers the intellectual property rights to the Customer, any Users or any other person. All rights not expressly granted under these Service Specific Terms are reserved to Vatrix.
- 1.2 **Licence.** Subject to the Customer paying all Fees and Charges when due and payable under the Agreement and to the Customer's compliance with the Agreement, Vatrix grants to the Customer the Permitted Number of User Licences for use of the Workflows Software for the term of the Subscription.
- The Customer acknowledges and accepts that the licences granted for this Vatrix Service are only for the 'Workflows' product and does not include access to other features such as 'Alarms' or 'Incidents' which are licensed separately.
- 1.3 **Reallocation of licences.** The Customer will be entitled to allocate each licence to any User using the Workflows Software and to reallocate licences provided that it does not exceed the Permitted Number of User Licences. Vatrix will have no liability for any effect on the Vatrix Service of the Customer's reallocation of licences.
- 1.4 **Data Upload Limits.** The Customer will be entitled to store up to 100GB of files, media and other data on Workflows. Note there is a 100MB limit per file uploaded directly to Workflows.

Section 2 | General

- 2.1 **Variation.** These Service Specific Terms may be amended by Vatrix in accordance with the Master Service Agreement.
- 2.2 **Service start.** Vatrix will provide the Vatrix Service with effect from the Start Date for the Subscription Term.
- 2.3 **Training.** The Customer will ensure that each of its authorised Workflows Users are adequately trained on how to use the Vatrix Service and that they understand the limitations, terms and conditions of the Vatrix Service.
- 2.4 **Restrictions.** Except as set out in the Agreement or as is specifically allowed in law that cannot be excluded, the Customer will not (and will ensure its Users do not):
- (a) copy, modify, duplicate, create derivative works from, frame, mirror, republish, download, transmit all or distribute all or any part of the Workflows Mobile App or Workflows Software in any form or media or by any means; or
 - (b) de-compile, disassemble, reverse engineer or otherwise reduce to human readable form all or any part of the Workflows Mobile App or Workflows Software; or
 - (c) access all or any part of the Vatrix Service or Workflows Mobile App or Workflows Software in order to build a product or service that competes with the Vatrix Service; or
 - (d) use the Vatrix Service to provide services to third parties; or
 - (e) license, sell, rent, lease, transfer, assign, distribute, display, disclose or otherwise commercially exploit or otherwise make the Vatrix Service available to any third party except authorised Workflows Users; or

- (f) attempt to obtain, or assist third parties other than authorised Workflows Users in obtaining, access to the Vatix Service, other than as provided under the Agreement; or
- (g) negligently, recklessly or deliberately introduce or permit the introduction of, any virus or other disabling code into the Vatix Service, the Workflows Mobile App or Workflows Software.

2.5 **Unauthorised access.** The Customer will use all reasonable endeavours to prevent any unauthorised access to, or use of, the Vatix Service and, in the event of becoming aware of any such unauthorised access or use, will promptly notify Vatix.

2.6 **Personal Data Processing Requirements.** For the purposes of the Data Protection Addendum, the following sets out the Processing Requirements for Personal Data Processed by Vatix as a Processor for this Vatix Service.

Subject matter of the Processing
